MASTER MIX  
FOR MASTER CHEFS

The chef doesn't cook.

He creates magic.

We just ensure the magic keeps  
the foodie hooked.

Food is a miracle. Only, it's often taken for granted and we do not appreciate the hard work that goes behind preparing a delectable dish that chooses to satiate us. But those days are gone. As the world moves towards a culture of food where talented chefs are finally getting their due, we choose to help these magicians create the divine culinary experiences that keeps foodies hooked to their addresses.

We are Food Solution (India) Limited, a company that develops smart and convenient culinary solutions for HORECA (Hotel/ Restaurant/Caterer) Sector. Our products consist of a wide range of natural base mixes that help chefs create vegetarian and non-vegetarian delicacies. Our promise is to create convenient and easy-to-cook solutions to these masters while not asking them to compromise on quality in any way.
